## **PERSONAL LETTER**

Please submit a minimum one-page handwritten letter of introduction. In your letter, describe your interests, involvement in organized activities, your achievements, and some details of your character. Explain why you want to participate in SASE 9 and what you expect to gain from participation in the program. Additionally, provide specific examples that showcase your ability to work hard, your maturity and your leadership capabilities.

## **REFERENCE**

Provide the name and contact information of someone who is not your parent/ guardian (i.e. coach, family friend, boss) that supports your application to the SASE 9 program. If contacted they must be able to comment on your work ethic, respectfulness, leadership, maturity and suitability for the SASE 9 program. Inform this person that you would like to use them as a reference for this program and include their contact information below.
