Safeguarding Children from Sexual Victimization

***An online session from the Canadian Centre for Child Protection
in collaboration with Yukon Victim Services Yukon***

This presentation addresses the topic of child sexual victimization. The information shared in this session is intended to help build understanding of child sexual harm and to promote child safeguarding practices. Topics discussed include the prevalence of the issue in Canada, high risk behaviour and the importance of personal boundaries to safeguarding children, the role of technology, and how to talk to children about personal safety.

This presentation contains sensitive content/discussions. It is not intended for children, youth, or teens.

Thursday, January 20th

6:30 pm – 7:30 pm MST
