WORDS FROM THE PRINCIPAL

As we welcome March, our days are filled with more daylight which brings fresh energy! As Spring Break nears, I continue to be impressed by the hard work and growth amongst our students and staff. With Spring Break just around the corner, I hope that everyone takes some time to relax, recharge, and enjoy some well-deserved rest. I'm confident that after the renewal of the break, we will be able to refocus on our goals and that we'll finish the year strong with renewed energy. You should have received an email or phone call from each of your child's teachers with a progress update. Don't hesitate to reach out to them if you need more information. Together, we'll achieve even more in the weeks ahead.
