

PCSS PARKING POLICY

PCSS is having issues with vehicles being parked in signed “No Parking” zones, in designated “Fire Lanes”, on sidewalks and even in green space around the school. Dangerous driving and stunting on school property has been an issue at PCSS for many years now with no effective resolve.

Please note, PCSS Parking Policy as Follows:

- 1. Vehicles parked in a “No Parking” zone or parked in a Designated Fire Lane may be TOWED at the owner’s expense, (please refer to our website for a detailed map of designated areas and traffic flow).**
- 2. If you drive your child(ren) to school and/or picking them up, parking in a NO PARKING ZONE may result in you being towed. There is a designated “Drop-off” zone for this purpose.**
- 3. Students parked in a NO PARKING ZONE, in the designated FIRE LANE, in GREEN SPACE, or on SIDEWALKS may have their vehicle towed at the owner’s expense.**
- 4. Students found to be in violation of the Yukon Motor Vehicle Act with respect to Dangerous Driving, Stunting, or not obeying parking signs will be prohibited from bringing a vehicle to school. In the event that the student does bring a vehicle to school it may be towed at the owner’s expense.**

We will have an assembly at the beginning of each school year and ask that you help us by making sure that your son/daughter is driving responsibly.
