## GRADUATION REQUIREMENTS FOR YUKON STUDENTS

Students must accumulate a minimum of 80 credits at the grade 10, 11 and 12 level, however most students will have accrued 96 or more credits upon graduation. A minimum of 52 credits must be Required courses and 28 credits from Elective courses. The minimum requirements for high school graduation and admission requirements for post-secondary institutions may differ. Students intent on attending post-secondary institutions should check with the schools of their choice or speak to a school counsellor to confirm admission requirements.
