1. **Call to Order:** Meeting was called to order at 6:33PM
2. **Adoption of Agenda:** Moved by William, second by Misty, THAT the agenda be adopted. CARRIED

**2.1 PCSS GSA Presentation:**  
Jason Cook provided a presentation on the GSA at PCSS. The GSA ‘hit the ground’ this year and the group has gotten bigger. It has been a great year at the school with the formation the “Rainbow Room”, which is a safe space for ALL students. Students can go and hangout there during breaks, lunchtime. The GSA students use to hide in the hallways; students needed to be safe and therefore the Rainbow Room was created.  
The “Elders” of the GSA, (original group of students) have visited the Montessori School, upper and lower classes and answered questions from the students.  
There are different flags which have been brightening the transit buses when they

are used.

A delegation of students went to the Global Climate Strike.

On November 6, GSA wrote a letter to the Minister of Education with reference to the Dept. of Education Sexual Orientation and Gender Identity (SOGI) which came into effect in 09/05/2021. Policy should be updated as the wording in it is outdated. Copy of letter provided to School Council.

On November 7, Kate White questioned the Acting Minister of Education, Jeanie Dendys with reference to the SOGI policy. School council watched the proceedings from the Legislature discussing this issue.

The Dept. recognizes students and school community members who identify as LGBTQ2S+ who face a unique set of challenges within schools and communities. They feel that every school should have a safe space for all students, just like PCSS Rainbow Room.

More policy and education is still required.

An article in the Whitehorse star did headline not accurately report the intent of the letter to the Minister of Education from the GSA.

They invited the Minister and others to the PCSS Rainbow Room in order to discuss their concerns and ways that they may support the department in ensuring that LGBTQ2S+ youth from around the territory are protected and able to achieve their fullest potential.

In November, the GSA, Rainbow Room received \$10,000. From the Victoria Gold attendance initiative to help run LGBT retreats and Rainbow Room.

They also provided a petition 178 days ago, re: banning conversion therapy with 401 signatures on it supporting this.

YG announced that it would be banned in the Spring of 2020.

Local guidance counsellors come to the Rainbow Room and speak about how the Room has helped GSA students' time at the school.

4 GSA "Elders" attended the "Be the Change".

Host an assembly with the whole school, with Chase Blodgett and Kate White are guest speakers.

They held a 3 day retreat at the Takhini Hot Springs and had a great time. They cooked, played games and learned a lot about each other. All grades are represented in the GSA.

Emilie Tremblay is inspired by PCSS's GSA's success and are looking at creating their own safe space.

GSA have met with Vanier school's Social Justice class to discuss the Dept. of Education SOGI policy.

As well, organized a Youth Night on October 24<sup>th</sup>.

Other initiatives they are working on:

- Christmas sleep over – Dec. 6
- Fundraising – ongoing
- LGBTQ2S+ Prom – students would like to organize
- Participate in the PRIDE parade

There were roundtable discussions with reference to the LGBTQ2S+, GSA; and bullying;

It is felt that FN issues and these are parallel.

There are approximately 75 students at the school

Council thanked students and Mr. Cook for presentation.

- 3. Adoption of Minutes:** Moved by Don, second by Amanda, THAT the Minutes of Regular meeting, October 9 2019 be adopted. CARRIED

**4. Parent/Community Issues:**

Speed Bumps: Dale provided an update on the issue with the Speed Bumps brought forward by the PC Community Association:
